Priorities

| Our goal is to decrease the percentage of students feeling bullied under the Canadian norm.

We also want to focus on increasing the percentage of students who feel safe at school as well as going to and from school.

| Our goal is also to decrease the levels of anxiety among the student body. |

Actions / Initiatives to Maintain or Let Go

| The establishment of *Student Council to facilitate conversations and collaboration regarding student's perception*

Implement Social Emotional Learning activities

Using community organizations (ECOL, conferences, etc...) to help raise awareness in the community and in the student body

Working in collaboration with Justine Dansereau, Pedagogical Consultant, School Climate

| Prioritizing the special educations technician's active role and engagement with the student body |

Actions / Initiatives to Develop

| To help develop a healthy understanding of gender roles

To help develop social skills / student ability to interact with each other

To have the students reach out to the adults for further support
