Dear Parents and Guardians,

We are very happy to inform you that the construction work for the enlargement of Franklin Hill Elementary will begin on Monday, October 2.

The safety and security of our students and staff during the construction is our top priority. The construction area will be separated from the rest of the school by fences and/or construction walls that are clearly marked with warning signs. Workers will have separate entrances/exits for the construction area.

We are committed to communicating with you regularly during the construction process and we will update you regarding how the construction activities will affect staff and students in the upcoming weeks.

If you have any questions regarding the enlargement work, please contact me.

Thank you for your continued support over the past few years. We are very excited that this major project is finally starting! We hope you share our excitement for the great changes happening here!

Sincerely,
André Gionet
Principal
